

FOUND – BA EQUIPMENT

The 20 MSA bottles and approximately 10 Scott Packs were found in the fire zone of the Thorhild Fire.

Chief Brett Demary (Thorhild) and I viewed the equipment, and it appears that they are inoperable but we would like someone to claim them in case there is an open file for missing equipment.

If this equipment is yours, please contact Wayne Rose at (780) 939-0609 or email wrose@sturgeoncountr.ab.ca
