

Weyburn Fire Department

January 27, 2010

On behalf of the Weyburn Fire Department and the City of Weyburn, I would like to extend this invitation to you to attend the 61st Saskatchewan Association of Fire Chiefs' Annual Conference & Trade Show to be held in Weyburn from April 14 to 16, 2011.

The City of Weyburn has begun the preparations to ensure we provide you with excellent facilities and a program to assist you meet the challenges that each and every one of us face on a daily basis.

The Fire Service is in a constant state of change; with change many of the Fire Service's traditions have been lost. The 61st Annual conference's theme will be "*Reigniting Pride and Traditions*"; a theme that we believe is vital to building strong local firefighting teams and attracting new members into the fire service.

Delegates will enjoy warm hospitality and will quickly see why Weyburn is called the "Opportunity City". Weyburn is able to offer all the services of a bigger centre but with an added small city, personal touch. The residents of Weyburn pride themselves on having the cleanest city in Saskatchewan. Come and see for yourself!

Who shares more in our journeys of community service than our spouses? They are the ones who share in our times of happiness, frustration and grief. The planning committee is working on some exceptional companion events which will prove to be enlightening as well as entertaining.

I truly believe this will be the best conference Weyburn has ever hosted! You will leave this conference with new ideas, direction and friendships that will strengthen your resolve to continue to be a part of the best fire service in Canada.

I look forward to welcoming you at the conference. In the meantime, if you have any questions, feel free to call me at (306) 848-3240.

Sincerely,

Steve Debiene
Fire Chief
